

Green Isle Community Preschool
???Frequently asked Questions???

1. Will there be transportation for my child?

- We have contacted Trailblazer Transit. They said that they are currently working with many preschool families throughout Sibley and McLeod County. They have reasonable rates, some as low as \$1.50. Their contact information is enclosed. You can also check them out at www.trailblazertransit.com.

2. Can my three-year-old attend Preschool?

- We are currently registering children who will be at least four years old by Sept. 1st 2007. The first 12 children to register will only be guaranteed a spot with their \$25 registration fee. The next 8 children will be put on a waiting list. We will then consider hiring a paraprofessional to assist the teacher and then contact those eight families.
- If the additional spots are not filled by four and five-year olds then we will be accepting three-year-olds. We will not be asking for a registration fee from the three-year-olds because of the uncertainty of their acceptance.

3. Will you ever be offering an afternoon Preschool?

- As our community grows there is a possibility that we would offer an afternoon program. Since this is our first year we want to be sure we are offering the best service to the children. In order to do that we believe it is better to start small and establish the program and then consider expansion for the following years.

4. Will there be a discount for my child if their sibling already attends GICS?

- Our program is funded primarily on tuition. Fees have been calculated into a projected budget; discounts would take away from the program we will be offering your child.

5. What are the hours of the preschool program?

- Preschool starts at 8:30am. Parents are asked to walk their child to the classroom to be sure the child arrives safely. Each session ends at 11:00. The children will be asked to remain in the classroom until their parent arrives.

6. Will my child be able to use the Extended Day Program?

- Yes, GICS offers an Extended Day Program. The morning session will be available for Preschool. The program is offered from 6:30- 8:15am. A brochure is enclosed in the registration packet.
