MCA-II TESTING - 3rd-6th GRADE

The students in grades 3-6 have been taking the MCA-II test this past week which is our mandatory state test in Reading and Math. Thanks you for your help in preparing your child for testing by getting a good night's rest, eating a healthy breakfast and providing a healthy snack and lunch to eat at school. Results of the MCA's will not be available until next fall.

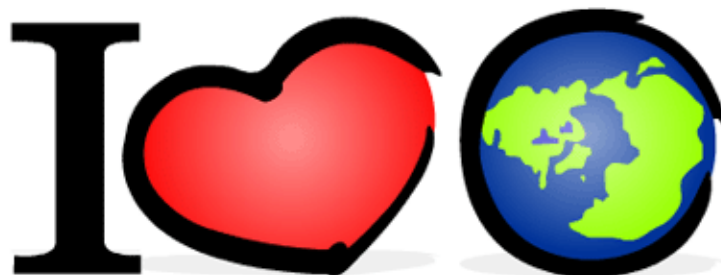

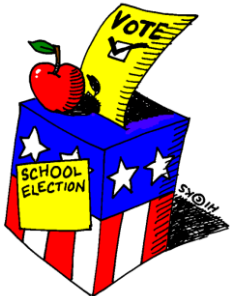

PRESCHOOL ROUND-UP

Preschool Round-up will be held on Thursday, May 6th from 6:30-7:30pm. Let's fill up our school with more great kids! Do you know of a family that may be interested in GICS? Tell them to come for a tour! You are our best form of advertising!

GICS ANNUAL MEETING - MONDAY, MAY 24th - 7pm

Our Annual Meeting will be held on Monday, May 24th at 7:00pm. We need at least 20% of our members - families and staff to attend in order to have a quorum. (That's at least 34 members - parents & staff.) We will call the meeting to order, elect 3 new members to the board, we will celebrate our journey and conclude with a light reception. We have 3 positions open for the GICS Board election. Currently, we have two candidates electing to run for the GICS board. We need at least three individuals on our ballot. Won't you consider being a part of the governance of our school? If you are interested in running for election, please call the office. You would need to prepare a short paragraph to read at the meeting on why you would like to be a part of the GICS Board. It's a great opportunity to get involved at GICS! **MARK YOUR CALENDARS!!!**

Happy Earth Day - April 22, 2010

Did you know... a duck's quack has no echo, and nobody knows why.

Question of the Month:
When will Mrs. Grams
have her baby?
We can't wait! :)
