Weekly Newsletter - Tuesday, June 15th, 2010

Dear Families~

I wanted to take this opportunity to thank you for being part of my wonderful journey at GICS. From one day in August 2005, only a couple weeks before our new school opened, to our last days together in June 2010, you have been a very important part of my life - my family. Throughout this time I have worked with our committed staff to offer a choice in education - where children excel academically, feel safe and welcomed, and embrace our special community.

Although change is always difficult and adjustments will need to be made, I have faith that what we've built will continue to be successful. Your children always come first. As you listen to other families talk about wanting something different educationally for their children, tell them about GICS - our multi-age classrooms, the school-wide Responsive Classroom Approach, the traditions we've established... Encourage them to come visit and see for themselves.

As I've said since the beginning, you are our best form of advertising and growing our enrollment is one of the best ways to keep this choice available and viable.

Although I am leaving GICS, I'll not be far away (only in Hutchinson!). I'd love to hear from you as your children grow and move on in their lives. Keep the faith and know that together we have created a school - an educational choice- that we should be proud of.

I'll miss you...

Kirsten

I wish you enough. . .
I wish you enough sun to keep your attitude bright.
I wish you enough rain to appreciate the sun more.
I wish you enough happiness to keep your spirit alive.
I wish you enough pain so that the smallest joys in life appear much bigger.
I wish you enough gain to satisfy your wanting.
I wish you enough loss to appreciate all that you possess.
I wish you enough "Hellos" to get you through the final "Good-bye".

Congratulations Kindergarten and 6th Grade Graduates!
