* The Developmental Reading Assessment (DRA) is an individually administered assessment of a child's reading capabilities. It is a tool to be used by instructors to identify a student's reading level, accuracy, fluency, and comprehension.

*** Northwest Evaluation Association Measures of Academic Progress (NWEA MAP) is administered every fall and spring. It assesses students' reading, math, and language usage skills. This is the data the staff use to ensure every student is making progress. It is required as part of our charter contract with VOA. Families may opt out.

**** Minnesota Comprehensive Assessment (MCA) are required by a state law. We provide the data to parents, our authorizer (VOA) and governing body. We use the MCA data to form our SMART goals for our Title 1 application. We include it in our annual report. It is required as part of our charter contract with VOA. Families may opt out.
